

# OPPORTUNITIES & CONSTRAINTS

## RE-IMAGINE WATT/I-80

# OPPORTUNITIES & CONSTRAINTS

1 Opportunity for New Stairs & Elevator for Single Point of Access to RT Light Rail Station from Watt. Access to station no longer requires crossing under structure.

4 Pedestrian Bridge Opportunity for Direct Connection to Watt Ave for direct connection between Watt Ave and future housing development site.

8 Opportunity for enhanced pick-up/drop-off amenities on Watt Overcrossing for Kiss & Ride, TNCs (Uber, Lyft, etc.), and future Autonomous Vehicles

2 Enhanced Signage and Wayfinding

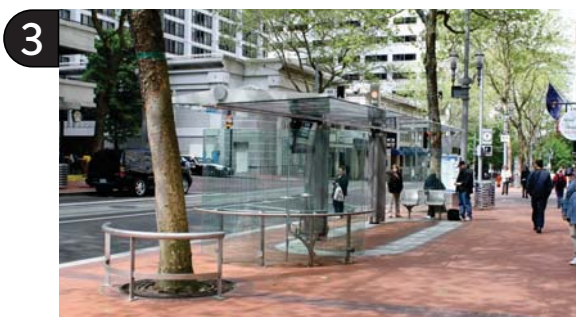

5 Relocate and enhance bus stops

6 Square-up Ramps to Improve Pedestrian & ADA Path of Travel

9 Enhanced Protective Railing

3 Opportunity for Enhanced Pedestrian Path from Parking to Light Rail Station

7 Plaza Opportunity with Structural enhancements, Increased Lighting and Avoidance Space
