

RE-IMAGINE

WATT/I-80

Re-Imagine Watt/I-80 Public Workshop

November 29, 2017

North Highlands Community Center

What is the Re-Imagine Watt/I-80 Project?

An opportunity to:

- Re-envision transit access to and at Watt/I-80
- Engage SacRT riders, community members, and other stakeholders to develop solutions together
- Create a plan for meaningful change at Watt/I-80

Why Re-Imagine Watt I-80?

What we've been hearing:

Outreach Process

SURVEYS

September - December 2017

GOAL

Gain insights on how riders use the station, access and safety concerns, and thoughts about making improvements.

HOW

- Online Survey
- In-Depth Stakeholder Interviews
- Intercept Surveys

WALK AUDITS

October - November 2017

GOAL

Analyze existing conditions first-hand and evaluate opportunities for improvement.

HOW

Join us to assess constraints and opportunities at the station, as well as pedestrian and bicycle access to Watt/I-80.

COMMUNITY MEETINGS

October 2017 - January 2018

GOAL

Identify potential solutions and gather input on conceptual ideas.

HOW

Join us at these meetings to provide feedback and insights that will inform proposed solutions.

Stakeholder Interviews

SURVEYS

September - December 2017

GOAL

Gain insights on how riders use the station, access and safety concerns, and thoughts about making improvements.

HOW

-Online Survey

-In-Depth Stakeholder Interviews

-Intercept Surveys

Have been reaching out to stakeholders to learn more about:

- Current concerns/issues
- Vision for the future
- Thoughts about future changes

Who We've Interviewed

Residents and Neighborhood Associations	Community and Business Organizations	Transportation Advocates	Others
<ul style="list-style-type: none"> • North Highlands resident • Arden Oaks Neighborhood Association • Country Club Alliance of Neighborhoods 	<ul style="list-style-type: none"> • Watt Avenue Partnership • Fulton Avenue Partnership • Greater Arden Chamber of Commerce • Coalition for a Safe and Healthy Arden Arcade 	<ul style="list-style-type: none"> • Sacramento Transit Rider's Union • Ridership for the Masses 	<ul style="list-style-type: none"> • American River College • Sacramento County Department of Health and Human Services

What We've Been Hearing

-  — Priorities are **safety, cleanliness, and accessibility** at and to the
-  — Transit Center
-  Need **long-term investment** to solve persistent issues
-  All options must consider **what happens** to existing Transit Center
-  Same-level transfers are ideal for **safety and ease of transfer**, but bus reroutes may be more **inconvenient and less accessible**
-  Pedestrian, bicycle, ADA access must be **safe and convenient** regardless

Tonight's Public Workshop

See how your input is informing recommendations for improvement – help us refine them!

Help us:

Develop a more complete understanding of needs and opportunities

Consider other strategies for improving transit access at Watt/I-80

Understand your thoughts on these preliminary concepts

**These are not final concepts! Your input helps make
for more accurate recommendations.**

What's Next?

Join us this Saturday,
December 2nd for a walking
assessment at the station

- **When:** Saturday, December 2nd
10:00 am – 11:30 am
- **Where:** Meet at the Watt/I-80
Station train platform
- **Why:** To get a first hand look at
issues and opportunities at the
station

Stay Engaged!

- Keep up to date by visiting the project website at:
www.reimaginingwatti80.com
- Continue to take the online survey - open through December
- Attend future project meetings, community events, and public open houses to provide input and shape this plan!

Thank you!
