Agenda

1. **Measure B Coalition:** An update for STAR on the coalition process and objectives. (15 minutes)
2. **SacTA:** What should our presentation to SacTA board in December address? At this stage in the Measure B planning process, do we support SacRT's request for 2/3 (1/3 cent) for transit, or support a process that will requires SacRT and all others to justify their projects based on community goals? A draft outline will be developed, and finalized at the December 8 meeting. (20 minutes)
3. **Action Team:** What should our Action Team frequency and schedule be for 2019? (5 minutes)
[no more than 40 minutes on items 1-3, reserving the remainder for item 4]
4. **SacRT Forward:** Develop a tentative position on the SacRT Forward process and balance between the two alternatives. This will be communicated to SacRT staff, the SacRT board at the November 5 meeting, and the public at the SacRT Forward open house on November 13. (100 minutes)
