

## STAR Action Team

Date: Saturday, December 7, 2019

Place: Organize Sacramento, 1714 Broadway, Sacramento

Time: 10:00AM to 11:30AM

## Agenda

1. Sacramento Transportation Authority (STA) development of new transportation sales tax measure
  - a. The new website is not up. The results of the listening tour and voter polling etc. have not been posted. The consultant has not delivered information and reports as promised.
  - b. SMART and the City of Sacramento have suggested that the TEP development process should be slowed down.
  - c. STAR considers the SacMoves Framework for adoption, and considers full membership in the coalition and as an active member of the working group.
  - d. Dec 13: SacTA board meeting, agenda not posted yet but TEP will be on the agenda
2. Expansion of Light Rail: With the failure of the streetcar project, the cities of Sacramento and West Sacramento, along with SacRT, are discussing what the next expansion of light rail should be.
  - a. Double Tracking of Greenline to Township 9
  - b. West Sacramento
  - c. How should light rail extensions be prioritized, so that decisions are made based on benefits to riders and the public rather than political whims? There are other extensions that might be a higher priority than these two.
3. City of Sacramento Transportation Planning
  - a. Oct 29 City Council Transportation Workshop
  - b. Dec 10? report back by City Mgr on Unmet Transportation Needs priorities and values
4. Report backs
  - ECOS TAQCC
  - SacMoves
  - SacTRU
  - SacTA, November 14 meeting and rally
5. Upcoming Meetings

If you have additional agenda items, please submit them.
